GCSE Exam Results – Summer 2025

We are pleased to share the GCSE results of our Year 11 pupils. This year, many students achieved the targets they had been working towards, demonstrating both solid attainment and steady progress in their studies. Overall, the year group's results are in line with national outcomes, and we are confident that we will continue to improve year on year. This consistency is a great achievement and a testament to the hard work of both our pupils and staff.

Congratulations to pupils such as Hannah, Osakpolor, Simona, and Amelia, who achieved steadily in a number of subjects, including some excellent grades of 8 and 9. Their efforts, as with several of our pupils, have opened up a wide range of post-GCSE opportunities. Many have secured places in our own Sixth Form, which continues to provide a supportive and challenging environment for students to build on their achievements and prepare for further study.

We are proud of all our Year 11 pupils for the commitment they have shown throughout the year. Meeting and exceeding their targets represents an important step forward, and we look forward to seeing them continue to grow academically and personally as they progress to the next stage of their education.
