ATTENDANCE AND PUNCTUALITY

Simon is in Yr 9.

His attendance is always around 90%. He thinks this is pretty good.

90% attendance means that he is absent from lessons for the equivalent of **one half day every week**.

In Yr 9 he missed the equivalent of four whole weeks. If Simon continued this pattern then over five years he will miss the equivalent of about **one half of a school year**.

Attendance Percentage Breakdown

Above 98% Excellent Attendance

Pupils with attendance above 98% have had less than 4 days absence in the year.

95% Average Attendance

Pupils with attendance above 95% have had less than 9 days absence in a year.

90% Below Average / Low Attendance

Pupils with below 90% are missing 4 weeks of school per year; it will be difficult for them to maintain workloads, and they may drop one attainment grade.

Below 90% Persistent Absence

Pupils with attendance below 90% are deemed to be Persistently Absent from School, and will be referred to the Local Authority Attendance Service.

HOW CAN PARENTS / CARER'S ENCOURAGE GOOD ATTENDANCE?

- Keep an eye on your son's/daughter's attendance
- Talk regularly with him/her about school
- Only allow days at home if really too ill to attend school
- Know the timetable
- Be aware of tests and assessment
- Encourage your son/daughter to catch up missed work

• If you have concerns:

- Look for patterns
- Talk and listen to your child
- Telephone us

LAYING FOUNDATIONS FOR ACADEMIC SUCCESS AT
GCSE.

STRENGTHENED GCSE COURSES

Year 10 is vital if pupils are going to achieve their potential. The majority of the knowledge, understanding and skills are acquired in Year 10.

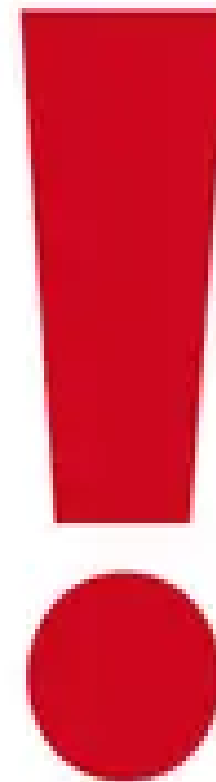

Starting to take your studies seriously in Year 11 is often too late.

THERE ARE NO SURPRISES ON RESULTS DAY

The mock examinations did not predict grades that were overly optimistic or pessimistic.

If you are significantly below your target grades in November and February, unless you engage with the interventions, and a thorough revision plan, you will get a similar grade in the summer.

FINDING DELIGHT

The curriculum is still broad enough for pupils to discover what they love and what they want to do in the future.

To do this need to immerse themselves in their studies., and give themselves a chance to enjoy their work.

THE STANDARDS – GREAT PREPARATION

- The Standards were designed by the subject leaders to prepare pupils for the skills required at GCSE.
- Many of the skills they will need for GCSE have been taught, reviewed and consolidated over the last three years

MAKE THE MOST OF THE DAY

Pupils need to:

- Use class time effectively; there is a huge amount to learn, digest and **master**.
- Ensure books are full of notes that they can revise from.
- Speak to their teachers about any misunderstandings or uncertainties.

LINEAR COURSE

GCSE is a linear course and needs to be studied in an appropriate way.

Pupils and teachers need to be regularly revisiting and revising work studied.

Pupils need to be able to work independently. That will involve:

- consolidating knowledge understanding and skills introduced in class
- revising for examinations or tests
- improving areas of weakness

REVISION TIPS

- Learning requires knowledge to be in the 'long term memory' and not 'working memory'.
- Testing is more beneficial than re-reading.
- Spacing is much more useful than chunking.
- Question/Answer cards are much better than cue cards.

INDEPENDENT STUDY

1. Help pupils to organise themselves effectively.
2. Monitor the setting of homework.
3. Empower parents to support their children in completing homework to a high standard.
4. Provide a place where pupils can find revision material and examination papers

COMPULSORY INDEPENDENT STUDY PERIOD

- We will be asking a small group of pupils who have consistently low homework scores in their reports to attend a compulsory seventh period on Monday to Thursday.

SETTING THE STANDARD FOR THE SCHOOL

MOBILE PHONES

Archbishop Tenison's School site is one where mobile phones are not to be used by pupils at any time.

If mobile phones or earphones are seen by members of staff, they will be confiscated and pupils will collect them at the end of the day.

LATE TO LESSON

- Pupils who are late twice to lessons on a single day will be given a lunchtime detention

LESSON PRACTICE

- Pupils who receive a demerit for not listening, not following instructions, or disrupting the learning of others will have to attend 'Lesson Practice'.
- Lesson Practice will take place from 12.40 to 1.05 and pupils will work silently and productively.

SOCIAL MEDIA

- Social media (including here all apps, sites and games that allow sharing and interaction between users) is a fact of modern life, and as a school, we accept that many parents, staff and pupils will use it. However, we expect everybody to behave in a positive manner, engaging respectfully with the school and each other on social media, in the same way as they would face to face.

UNIFORM AND PRESENTATION

We expect Year 11 to model the standard of uniform and presentation for the years below. This means:

- One plain gold stud in each ear
- Mid grey trousers (not black)
- No other piercings
- Natural hair colours
- No lines shaved in hair
- Leather school shoes and no trainers
- No hoodies

REPUTATION

We expect Year 11 to uphold the Christian values of the school and conduct themselves on an appropriate way while travelling to and from school. They should show:

- Calmness
- Consideration
- Courtesy

WORK DONE OVER THE SUMMER

- Finishing off the G classrooms
- Converting rooms 34 and 36 into new Geography classrooms
- Starting work on the new changing rooms next to the Sports Hall
- Refurbishment of 7 classrooms for Maths and other subjects + stairs and corridors
- Giving Reception a new look
- Continued work on the computer network
- New backing for over 220 display boards in classrooms and corridors

EXAMINATION RESULTS

GCSE

- Some great individual successes
- Good progress through Year 11
- Several pupils who did well in very adverse circumstances
- Better performance by Disadvantaged pupils
- 66% of pupils gained 4+ in English / Maths (last year 70%)
- 68% in Science 51% in Humanities 35% in MFL 70% in Religious Studies
- Attainment 8 – 45.9 (2018: 52.3)

OUR INITIAL REFLECTIONS

- Pupils are well prepared for the exams – the structure of Year 11 works
- Our progress data is accurate – the results were as expected
- Pupils performed consistently across the range of different subjects
- Progress through Year 11 is good, but Years 7-10 also matter
- We were right to invest time and effort in reworking the Key Stage 3 curriculum from 2015 onwards: that will make a big difference over the next few years

OUR NEXT STEPS

- Meet parents in the summer term of Year 10; set summer work
- Give more attention to individual pupils with very high prior attainment
- Lesson practice for those finding it more difficult to concentrate in class
- Homework practice for those lacking the ability to study independently
- More pro-active contact with parents/carers who do not come to the Information Evenings or are not sure how best to support study at home

WHAT GIVES US CONFIDENCE FOR THE FUTURE

- The strong Key Stage 3 curriculum which is now in place
- The very good pastoral leadership of all year groups
- The consistently strong teaching across subjects
- The high quality subject leadership
- We know our pupils and how well they are progressing, but we are also determined to fulfil our ambition to see them do very well

EXAMINATION RESULTS

A LEVEL

A* - 5.9% of all grades – our highest percentage to date

A*A – 19% of all grades – our highest percentage to date

A*AB – 42% of all grades – compares well with other years

Subjects which did particularly well included:

English Literature

Further Mathematics

Music

Photography

Art

Geography

Product Design

Computing

History

Sociology

READING – MARK 4:39-41

Jesus Calms a Storm

- On that day, when evening had come, he said to them, “Let us go across to the other side.” ³⁶ And leaving the crowd, they took him with them in the boat, just as he was. And other boats were with him. ³⁷ And a great windstorm arose, and the waves were breaking into the boat, so that the boat was already filling. ³⁸ But he was in the stern, asleep on the cushion. And they woke him and said to him, “Teacher, do you not care that we are perishing?” ³⁹ And he awoke and rebuked the wind and said to the sea, “Peace! Be still!” And the wind ceased, and there was a great calm. ⁴⁰ He said to them, “Why are you so afraid? Have you still no faith?” ⁴¹ And they were filled with great fear and said to one another, “Who then is this, that even the wind and the sea obey him?”
